* TRUSTEE POSITION DETAILS

Trustees act as internal auditors, and meet at least once a year to review the local's finances. The primary duty of Trustees is to ensure that all union resources (money or assets) are used for legitimate union purposes as authorized by our membership and in accordance with our constitution and bylaws. The secondary function of Trustees is to review the way that the Secretary-Treasurer is doing their job and to suggest ways that the financial affairs of the local might be improved. A full list of the duties of a Trustee are listed in Section 7(g) of the CUPE 3261 bylaws which can be found on our website.

The member who is elected as a Trustee will serve a three year term alongside our local's two existing Trustees.

Reminder: At this GMM we will be accepting *nominations* for the position of Trustee, not *electing* a new Trustee. The membership will vote at our next GMM on who they want to serve as Trustee out of those who were nominated at this meeting.

If you are considering seeking a nomination, we recommend reviewing Section 8 of the CUPE 3261 Bylaws "Nomination, Election, and Installation of Officers" for detailed information on the nomination procedure and eligibility. And if you have any questions don't hesitate to get in touch via the information below.
